GENERAL DEPARTMENT.

NOTIFICATIONS.

The 22nd December 1880.

No. 113.—The following Resolution of the Government of India, Department of Finance and Commerce, is published for general information :—

Department of Finance and Commerce, Resolution No. 3616, dated Simla, the 13th November 1880.

The Presidency Municipalities, the Trustees of the Port of Bombay, and the Commissioners for making improvements in the Port of Calcutta, are empowered, by the Enactments constituting or incorporating them, to borrow money for certain purposes by way of Debenture, on the security of the Rates, Taxes or Dues which they are authorized to levy or impose.

2. Under the Local Authorities Loan Act, other Bodies Corporate and Municipalities may also be authorized to borrow money upon the security of the Funds which they administer or the Taxes which they levy.

3. The Bonds or Debentures issued by all these Bodies, and Coupons issued with such Debentures, are, in the absence of any special exemption, chargeable with Stamp Duty, at the rate of about ½ per cent.

4. The question whether Stamp Duty is chargeable on the renewal and sub-division of such Debentures, is open to argument; but whether Stamp Duty is chargeable in such cases or not, the interests of the Stamp Revenue necessitate the attendance of the parties at the office of the Collector of Stamp Revenue, in order to the stamping (without charge) of the new Debentures. The Government of India is not willing to relieve such Debentures altogether from the payment of Stamp Duty; but it is prepared to exempt Coupons issued with them from the separate payment of duty, and is anxious to remove, as far as is compatible with the due protection of the Stamp Revenue, the inconvenience occasioned to the Debenture Holders by the necessity for attendance at the Stamp Office on each case of renewal or sub-division.

5. His Honor the President in Council thinks that these objects may be attained if the above mentioned Bodies Corporate are willing, on the issue of any Debentures, to compound for the Stamp Duty chargeable thereon by the payment in a lump sum of ½ per cent on the total amount of the Loan. There is no special provision in the law authorizing such a composition; but on payment by any of the Corporate Bodies referred to, under such a composition, the Government of India will exempt the Debentures from any Stamp Duty with which they might otherwise be chargeable whether on issue, renewal or sub-division.

6. The payments made under such compositions will be credited to Stamp Revenue.
